

EXODUS HEARTS TOWARD GOD-9

March 15, 2009 - Hebrews 11

Your discussion will focus on taking a long view of life; a view of life informed and formed by faith—faith in the future.

Open - Looking Ahead

How does the anticipation of an exciting future event affect you in the present?

Can you give an example?

Bible Discussion - Faith

Talk about the situation with the recipients of Hebrews.

How does the writer, in chapters 10-12, present the importance of a long view of life?

How does faith become the key to a long view of life?

Taking It Home

In your opinion what are the most discouraging things going on in our culture presently?

How does a long view of life that comes from faith address these issues?

What discourages or depresses you personally?

How does a long view of life that comes from faith address these issues?

How can we pray for each other this evening?

*The discussion questions loosely follow Greg's Sunday message with the same date, and were authored by Allen Burris, preaching minister for the Mitchell Church of Christ.
