

2012 Lock-in @ Incredi-plex. Jan 27-28

1. No one is allowed to attend the lock-in without first turning in this signed form and the Southeastern Medical liability form.
2. Unless other arrangements are made with a parent or guardian, each Youth is expected to stay the entire time of the Lock-In, and will only be released to their parent or guardian.
3. Lock-in participants will not be allowed to go outside of the venue.
4. NO personal video games or electronic devices. (*The exception is that if you are going to sleep, you may bring an iPod, or the like. But, it must not be used other than the designated resting area*).
5. No illegal drugs, alcohol, dangerous materials, or firearms.
6. All lock-in participants must respect others' physical boundaries. This is in respect to personal property as well as personal contact with others.
7. There will be designated areas for male ONLY and female ONLY sleeping. You are not to go into the opposite gender's rest area.
8. Adequate time is scheduled for free play. Therefore, all attendees are expected to participate in the short designated group activities time.
9. No foul language or poor sportsmanship.
10. No "coupling". This includes couples not secluding themselves from the group in places where we can't see them. We also don't want to see PDA (public displays of affection). Please don't embarrass yourself by making us point this out to everyone! (*See rule 7...I'll make it even clearer- no making out, cuddling, or kissing... Do I need to go on? OK, I will. I don't want to barf because of your physical contact...and I have a low gag reflex when it comes to teen PDA.*)

I have read the above rules and agree to abide by them. I also understand that there will be disciplinary actions attached to the rules that could include being picked up in the middle of the night by a parent.

****We will go over these rules quickly at the church building before going to Incredi-plex on Friday night. If you, as a parent, are dropping your teen off at Incredi-plex, please go over them thoroughly before leaving him/her.***

Some suggested items you may want to bring (none required)

- Sleeping bag/blanket and pillow if you'd like to sleep for a little while
- Toiletries (toothbrush and paste, deodorant, etc...)
- Change of clothes
- Wash cloth and towel. **Not sure if showers will be available or not*
- Extra money for arcade and snacks. **There will be a free pizza buffet in the middle of the night and unlimited sodas for the entire event. There are plenty of things to do without the arcade, just want you to be aware it's available.*
- Guitar
- Bible/book to read if you need to chill out on your own.
- Do not bring music devices unless you plan to use them only for sleeping. This is for your protection against loss as well as being beneficial for fellowship!

Everyone is required to bring a great spirit and good attitude! 😊
